

Greetings!

Are you looking for an affordable, experienced band that everyone will enjoy? Do you want to save time and effort when you plan your next dance? If you answered yes to either of the above, let me introduce one of Iowa's most popular bands. . . . TENNYSON!

. . . TENNYSON IS MUSIC . . .

You can enjoy a wide variety of musical styles with TENNYSON'S five lead vocalists. Having five lead singers allows us to alternate singers every other song. The same singer not being featured two songs in a row keeps the audience interested, prevents our singers from wearing down and helps each song have its own identity.

You will hear your favorite songs performed just like the original artist with TENNYSON'S instrumentation which includes electric guitars and bass, assorted keyboards and synthesizers, electric violin, drums and various percussion.

TENNYSON appeals most to popular music enthusiasts and we are committed to the needs of that audience. You can listen to the wide variety of today's hits with us because we use a national Top Forty ranking service to help choose our songs. (See enclosed song list) We then carefully organize our sets to present a dynamic, varied, and well-paced performance from beginning to end.

To ensure that you will enjoy lifelike three dimensional music at the correct volume and blend, TENNYSON carries the most modern P.A. system available complete with audio analysis and testing equipment. You are provided with a complete sight and sound experience since our superb audio is complimented by a computer controlled light show.

. . . TENNYSON IS EXPERIENCED . . .

TENNYSON has appeared in major concerts with THE GREG KIHN BAND, THE OZARK MOUNTAIN DAREDEVILS, and JERRY JEFF WALKER.

We have over ten years experience performing throughout the midwest as well as the casino and nightclub circuit in Reno and Lake Tahoe, Nevada.

TENNYSON gives you the smoothness of performance which only comes from experience.

. . . TENNYSON IS ECONOMICAL . . .

You can save fifteen to twenty percent when you book TENNYSON direct! When an agent represents a band and gives a price quote, it is up to twenty percent higher than the band's normal price to allow for his commission. We handle our own promotions and bookings so we have no agents to pay and can pass the savings on to you! Call for our current rates and compare for yourself.
